Driver Training Ladies Day 2017

The Continental Cars Driver Training Ladies Day is coming up.

So ladies, it's time to hang up your heels, put on some flats and bring your car along to an exciting day on the track with a team of professional instructors. You will learn so much about your own car and refine your driving skills at the same time.

We are only planning one Ladies Day for 2017

From previous experience, we expect this event to be very popular and fill up quickly - places are also limited. So if you wish to enrol, please make your booking sooner rather than later to avoid disappointment.

You can feel assured that whatever driving level you are at, we group you accordingly and pair you with a suitable drive instructor who will be in your vehicle at all times. Our courses cater from absolute beginner to the most experienced of track drivers.

Lane Change	The perfect safety tune up that could possibly be a life saver, one day
Skid Pan	Preparing for the unexpected, plus a huge amount of fun, learning to lose control in a controlled environment.
