0-100km/h:	7.7 sec	Transmission:	8-speed sport automatic
Engine:	4-cylinder	Power/Torque:	135kW / 270Nm

Price incl. GST

\$72,850

[1] IMPORTANT INFORMATION ABOUT OUR DATA

Fuel consumption is determined in accordance with the ECE driving cycle (93/116/EC) made up of approximately one third urban traffic and two thirds extra-urban driving (based on the distance covered). CO₂ emissions are measured in addition to fuel consumption. All data is presented based on a vehicle of this model with standard equipment as tested for the German market. Where those vehicles are available in a right hand drive variant, they can be specially ordered from the factory by New Zealand customers.

The models actually available in New Zealand (other than through special order) may include optional equipment and accessories not fitted as standard. Those extras can have a significant impact on fuel consumption and emissions.

Figures given for unladen weight in kg is based on vehicle with standard equipment and includes a 90 per cent tank filling, 68 kg allowance for the driver and 7 kg allowance for luggage. Optional equipment may increase this figure. The performance and fuel consumption rates listed are based on the use of RON 98 fuel.

Actual figures for fuel consumption and emissions will depend on many factors including traffic conditions, driving habits, prevailing conditions and your vehicle's actual equipment, condition and use. Test figures are unlikely to be achieved in real world driving conditions and should only be used for comparing one vehicle with another.

Further information about the official fuel consumption and the official specific CO₂ emissions for new passenger vehicles can be found in the 'New Passenger Vehicle Fuel Consumption and CO₂ Emission Guidelines', which are available free of charge at all sales outlets, from Deutsche Automobil Treuhand GmbH (DAT), Hellmuth-Hirth-Str. 1, 73760 Ostfildern, Germany, or at <http://www.dat.de/en/offers/publications/guideline-for-fuel-consumption.html>.

Product features, specifications, models and prices are subject to change without notice. The general information in these materials should always be read in conjunction with other specific materials and information available from BMW Group New Zealand. E&OE

STANDARD EQUIPMENT.

220i

Transmission and technology

- 8-speed Steptronic Sport transmission
- Auto Start/Stop function
- BMW TwinPower Turbo 4-cylinder petrol engine
- Brake energy regeneration
- Brake-pad wear indicator
- Double-joint spring strut front axle and multi-arm rear axle
- Driving Experience Control with 'ECO Pro' and 'Sport+' mode
- Electric power steering with Servotronic
- Electronically controlled differential lock
- Start/Stop button

Exterior design and features

- Ornamental front grille with Chrome surround, 11 kidney grille slats in black
- 18" light alloy wheels Double-spoke style 385
- Exhaust tailpipe, visible, double, round, left
- Exterior mirrors electrically adjustable
- Metallic paint
- Softtop in black, fully-automatic opening and closing
- Window recess covers in matt Black

Light and Sight

- LED Fog Lights
- LED headlights
- Interior mirror with auto anti-dazzle
- Heated exterior mirrors
