DISCOVER THE BMW 4 SERIES COUPÉ

Uncompromisingly non-conformist: the all-new BMW 4 Series sets itself resolutely and elegantly beyond all existing conventions. The independent design and the classic coupé silhouette reference icons while at the same underlining its progressive character. The sporty lightness transfers seamlessly onto the road, where impressive agility and eye-catching performance send adrenaline levels soaring. As a result, the powerful sports coupé exudes an aura of unattainability, which simultaneously makes it all the more attractive.

MODEL HIGHLIGHTS

12AP

- 19" M light alloy wheels Double-spoke style 797 M Bi-colour
- BMW Head-Up Display
- BMW Live Cockpit Professional
- Driving Assistant incl. Lane Departure Warning
- M Sport Package
- Parking Assistant inc. Reversing Assistant
- Wireless smartphone charging

Consumption	5.8 l / 100km ¹	CO2	132 g / km ¹
0-100km/h	7.5 sec	Transmission	8-speed Sport automatic
Engine	4-cylinder	Power/Torque	135kW / 300 Nm
		Price incl. GST	\$81,900

Fuel consumption is determined in accordance with the ECE driving cycle (93/116/EC) made up of approximately one third urban traffic and two thirds extraurban driving (based on the distance covered). CO2 emissions are measured in addition to fuel consumption. All data is presented based on a vehicle of this model with standard equipment as tested for the German market. Where those vehicles are available in a right hand drive variant, they can be specially ordered from the factory by New Zealand customers. Figures given for unladen weight in kg is based on vehicle with standard equipment and includes a 90 per cent tank filling, 68 kg allowance for the driver and 7 kg allowance for luggage. Optional equipment may increase this figure. The performance and fuel consumption rates listed are based on the use of RON 98 fuel. Actual figures for fuel consumption and emissions will depend on many factors including traffic conditions, driving habits, prevailing conditions and your vehicle's actual equipment, condition and use. Test figures are unlikely to be achieved in real world driving conditions and should only be used for comparing one vehicle with another. Further information about the official fuel consumption and the official specific CO2 emissions for new passenger vehicles can be found in the 'New Passenger Vehicle Fuel Consumption and CO2 Emission Guidelines', which are available free of charge at all sales outlets, from Deutsche Automobil Treuhand GmbH (DAT), Hellmuth-Hirth-Str. 1, 73760 Ostfildern, Germany, or at <http://www.dat.de/en/offers/publications/guideline-for-fuel-consumption.html>. Effective from 1st January 2021 .

Product features, specifications, models and prices are subject to change without notice. The general information in these materials should always be read in conjunction with other specific materials and information available from BMW Group New Zealand. E&OE Effective from 1st January 2021 .

Upholstery, Leather 'Vernasca'

COMFORT PACKAGE

VISIBILITY PACKAGE

[Show Package Information](#)

COMFORT PACKAGE

COMFORT ACCESS

322

If the driver approaches the vehicle or leaves it and goes away from it, the doors are opened or locked automatically. In addition to that, the Digital Key can be installed on your own compatible smartphone, which carries out the functions of the key and can alternatively also be controlled with the included NFC key card.

AUTOMATIC TAILGATE

316

Allows the convenient opening and closing of the tailgate remotely by simply pressing a button on the vehicle key. The tailgate can be closed by pressing a button on the inside of the tailgate as well as the key.

LUMBAR SUPPORT

488

For the driver and front passenger seats can be adjusted electrically, both vertically and laterally, allowing for an orthopedically-optimised seating position. This increases comfort, particularly on long journeys.

GESTURE CONTROL

6U8

Selected functions can be operated by means of defined hand movements.

Optional on 420i. **\$2,700**

VISIBILITY PACKAGE

METALLIC PAINT*

BMW LASER HEADLIGHTS

5AZ

Laser high-beam module with range of up to 500m (standard for M440i).

AMBIENT LIGHT

4UR

Creates a relaxed interior lighting atmosphere with eleven pre-defined lighting designs in six colours.

ELECTRIC GLASS ROOF

403

Allows the airflow to be individually regulated to create a pleasant interior climate. The integrated wind deflector prevents draughts from developing in the interior ensures a lower level of wind noise.

[Additional feature for M440i xDrive]

SUN PROTECTION GLAZING

420

Prevents the interior from heating up when exposed to direct sunlight. The darker glazing behind the B-pillars absorbs more sunlight and does not hinder outward visibility.

*BMW Individual paintwork Dravit Grey/Tanzanite Blue + \$700

Optional on 420i. **\$5,800** Optional on M440i. **\$4,100**

OPTIONAL EQUIPMENT

EXTERIOR

Corporate Advantage**

SUSTAINABILITY AT BMW

Actions and technologies that have a real effect.

No competitor comes close to matching the comprehensive and diverse BMW Group portfolio of electrified models (fully electric BEV, partly electric PHEV), with half a million such vehicles delivered to customers to date.

BMW i3

The first premium manufacturer to introduce an electric car.

BMW 330e

Continuing BMW's plug-in hybrid campaign.

BMW iX3

All the advantages of an SAV, now electric.

BMW i4

The BMW Concept i4 provides a whole new take on the dynamic excellence for which BMW is renowned and blends a modern, elegantly sporty design with the spaciousness and functionality of a four-door Gran Coupe – all while generating zero local emissions.

No competitor comes close to matching the comprehensive and diverse BMW Group portfolio of electrified models (fully electric BEV, partly electric PHEV), with half a million such vehicles delivered to customers to date.

BMW i3

The first premium manufacturer to introduce an electric car.

BMW 330e

Continuing BMW's plug-in hybrid campaign.

BMW iX3

All the advantages of an SAV, now electric.

BMW i4

The BMW Concept i4 provides a whole new take on the dynamic excellence for which BMW is renowned and blends a modern, elegantly sporty design with the spaciousness and functionality of a four-door Gran Coupe – all while generating zero local emissions.

- In cooperation with Charge Net, BMW i customers in New Zealand can access the ChargeNow 'electric highway' - 100 fast-charging stations from Kaitaia to Invercargil.
- BMW Group considers sustainability a fundamental aspect of its past, present and future corporate strategy.
- Decades-long history of action to protect the climate and significantly reduce fuel consumption.
- Focus on further electrification of the product roster as the key measure for lowering CO2 emissions.
- Largest range of plug-in hybrids as the most versatile form of electrification.
- Greatest benefit of plug-in hybrids: enabling both customary range and driving without generating local emissions.
- Fully electric BMW i3 is uniquely sustainable, with sales figures still rising six years after launch.
- By 2023: 25 models with electrified powertrains, half of them pure battery electric vehicles.
- Numerous awards for eco-conscious design covering the entire product life cycle.

THE 4 COUPÉ

THE WORD ON THE STREET

"A new generation brings more power and better performance."

 [Go to MotorWeek First Look review on YouTube.](#)

"The 8-speed auto BMW fits to its cars is bloody brilliant."

 [Go to Carwow review on YouTube.](#)

"The range topper will be the M440i xDrive...capable of 0-100kph in 4.5 seconds."

 [Go to What Car? review on YouTube.](#)

"The stiff body gives the suspension the ability to be very crisp, very precise."

 [Go to BMW Group video on YouTube.](#)

"The car is super sexy. It's muscular. It's sporty. It's BMW as it should be."

 [Go to BMW Today video on YouTube.](#)
