# MODELS.

## 118i (1R52)

### Model Highlights:

- 8-speed Steptronic transmission
- 16" light alloy wheels Star-spoke style 654
- BMW TwinPower Turbo 3-cylinder petrol engine
- Concierge Services
- Cruise control with braking function
- Navigation system Business
- Park Distance Control (PDC), rear
- Rain sensor
- Real Time Traffic Information (RTTI)
- Rear view camera

### Product Details:

Consumption:	5.2l / 100km <sup>[1]</sup>	CO <sub>2</sub> :	122g / km <sup>[1]</sup>
0-100km/h:	8.7 sec	Transmission:	8-speed automatic
Engine:	3-cylinder	Power/Torque:	100kW / 220Nm

**Price incl. GST \$47,200**

## 125i (1S32)

### Model Highlights:

- 8-speed Steptronic sport transmission
- 18" light alloy wheels Double-spoke style 385
- Automatic air conditioning, 2 zone
- BMW TwinPower Turbo 4-cylinder petrol engine
- Interior rear-view mirror with automatic anti-dazzle function
- LED fog lights
- LED headlights
- Seat heating for driver and front passenger
- Sport Line
- Sport seats for driver and front passenger

### Product Details:

Consumption:	5.9l / 100km <sup>[1]</sup>	CO <sub>2</sub> :	134g / km <sup>[1]</sup>
0-100km/h:	6.1 sec	Transmission:	8-speed sport automatic
Engine:	4-cylinder	Power/Torque:	165kW / 310Nm

**Price incl. GST \$59,700**

#### [1] IMPORTANT INFORMATION ABOUT OUR DATA

Fuel consumption is determined in accordance with the ECE driving cycle (93/116/EC) made up of approximately one third urban traffic and two thirds extra-urban driving (based on the distance covered). CO<sub>2</sub> emissions are measured in addition to fuel consumption. All data is presented based on a vehicle of this model with standard equipment as tested for the German market. Where those vehicles are available in a right hand drive variant, they can be specially ordered from the factory by New Zealand customers. Figures given for unladen weight in kg is based on vehicle with standard equipment and includes a 90 per cent tank filling, 68 kg allowance for the driver and 7 kg allowance for luggage. Optional equipment may increase this figure. The performance and fuel consumption rates listed are based on the use of RON 98 fuel. Actual figures for fuel consumption and emissions will depend on many factors including traffic conditions, driving habits, prevailing conditions and your vehicle's actual equipment, condition and use. Test figures are unlikely to be achieved in real world driving conditions and should only be used for comparing one vehicle with another. Further information about the official fuel consumption and the official specific CO<sub>2</sub> emissions for new passenger vehicles can be found in the 'New Passenger Vehicle Fuel Consumption and CO<sub>2</sub> Emission Guidelines', which are available free of charge at all sales outlets, from Deutsche Automobil Treuhand GmbH (DAT), Hellmuth-Hirth-Str. 1, 73760 Ostfildern, Germany, or at <http://www.dat.de/en/offers/publications/guideline-for-fuel-consumption.html>.

## M 140i (1S92)

### Model Highlights:

- 18" M light alloy wheels Double-spoke 436 M
- BMW TwinPower Turbo inline 6-cylinder petrol engine
- BMW Individual headliner anthracite
- Interior and exterior mirrors with automatic anti-dazzle function
- Leather 'Dakota'
- M Aerodynamics package
- M Sport brake
- M Sport suspension
- Sun Protection Glazing
- Variable sport steering

### Product Details:

Consumption:	7.1l / 100km <sup>[1]</sup>	CO <sub>2</sub> :	163g / km <sup>[1]</sup>
0-100km/h:	4.6 sec	Transmission:	8-speed sport automatic
Engine:	6-cylinder	Power/Torque:	250kW / 500Nm

**Price incl. GST**

**\$82,000**

- Cruise control with braking function
- Park Distance Control (PDC), rear
- Rear view camera

### Safety

- Airbags driver and front passenger airbags, head airbags in the front and rear, side airbags for driver and front passenger
- Central locking
- Dynamic braking lights
- Dynamic Stability Control (DSC), Anti-lock Braking System (ABS), Braking Assistant, Dynamic Brake Control (DBC), Dynamic Traction Control (DTC)
- Handbrake with brake lever
- ISOFIX child seat mounting
- Runflat tyres
- Safety body shell
- Three-point seat belts
- Warning triangle and first aid kit

### Entertainment, communication and information

- Bluetooth connectivity
- Convenience telephony with extended smartphone connectivity
- Loudspeaker System
- Navigation system Business, iDrive 6
- On-board computer
- Radio BMW Professional
- USB audio interface

### ConnectedDrive features

- Concierge Services
- ConnectedDrive Services
- Intelligent Emergency Call
- Real Time Traffic Information (RTTI)
- Remote Services
- TeleServices

### Interior design, comfort and equipment

- Automatic air conditioning, 1 zone
- Additional 12 V power sockets
- Armrest in the front with storage compartment
- Electric windows front and rear
- Interior trim finishers Satin Silver matt
- Interior lighting
- Multifunction sport leather steering wheel
- Rear seat headrests folding
- Seat adjustment manual
- Seat backrest with 60/40 folding
- Standard seats for driver and front passenger
- Through-loading system
- Upholstery, 'Move' cloth

## 125i in addition to 118i

- 8-speed Steptronic sport transmission with gearshift paddles
- 18" light alloy wheels Double-spoke style 385
- Automatic air conditioning, 2 zone
- BMW TwinPower Turbo 4-cylinder petrol engine
- Driving Experience Control with 'ECO Pro' and 'Sport+' mode
- Exhaust tailpipe, visible, double, round, left
- Interior rear-view mirror with automatic anti-dazzle function
- Interior trim finishers black high-gloss with highlight trim finishers Oxide Silver matt
- LED fog lights
- LED headlights
- Seat heating for driver and front passenger
- Sport Line
- Sport seats for driver and front passenger
- Storage compartment package
- Upholstery, 'Corner' cloth

## M 140i in addition to 125i

- BMW TwinPower Turbo inline 6-cylinder petrol engine
- BMW Individual headliner anthracite
- BMW Individual high-gloss Shadow Line
- 18" M light alloy wheels Double-spoke 436 M
- Door sill finishers with 'M 140i' designation
- Exhaust tailpipe, visible, round, left and right
- Interior and exterior mirrors with automatic anti-dazzle function
- Interior trim finishers Aluminium Hexagon with highlight trim finisher Black high gloss
- Leather 'Dakota'
- M Aerodynamics package
- "M" designation, left/right on front side panel
- M Leather steering wheel
- M Sport brake
- M Sport suspension
- Mirror caps in ferric grey
- Mobility Kit
- Ornamental front grille with Chrome surround, 9 kidney grille slats in Black high-gloss
- Sun Protection Glazing
- Variable sport steering

### Genuine BMW Service

---

Quality and safety are the essence of a Genuine BMW Service. When you buy a BMW, you can look forward to superb service and comprehensive customer care.

BMW Service Inclusive is complimentary with all BMW's sold new in New Zealand for a period of 3 years, so you don't have to waste a moment thinking about the cost of maintenance for your vehicle.

For more information visit [bmw.co.nz/service](http://bmw.co.nz/service)

### BMW Driving Experience

---

If you've ever wondered why a BMW is the Ultimate Driving Machine, a BMW Driving Experience course is for you.

Sign up for a BMW Driving Experience course and you will learn what these remarkable vehicles can really do. More importantly, you will also acquire essential skills that will enhance your driving ability and safety.

For more information, call 0508 BMW DRIVE (0508 269374) or email [BMW@tracktime.co.nz](mailto:BMW@tracktime.co.nz)

# BMW ConnectedDrive.

The BMW ConnectedDrive Services & Apps are on hand to make sure you have more time for the important things in life. Various innovations by BMW make things more convenient for you every day – whenever you want.

**Concierge Service** is a personal telematic call service that connects you to a BMW operator, who will be able to quickly access the information you need 7 days a week, 24 hours a day.

**Emergency Call** is standard for every new BMW. With either the manual or the automatic emergency call, details of your vehicle and location will be sent directly to an Emergency Service Centre.

**Real Time Traffic Information (RTTI)** provides a precise account of current traffic in real time. The information is presented on the Navigation map using colourful visualisation of traffic status, with diversion recommendations based on the current traffic situation.

# BMW Connected App.

The BMW Connected app learns your mobility routines, reads your calendar and knows when you need to leave, providing customers with a personal experience that is integrated into their everyday life. The app will allow customers to fully unleash the capabilities of BMW's innovative technologies intuitively through your smartphone.

**Learned destinations**  
BMW Connected learns your most frequently travelled routes and provides them as 'learned destinations' for future suggestions. If destinations are repeatedly visited, they are automatically listed at the usual time.

**Remote Services**  
Stay in touch with your BMW where ever you are. You can perform online searches powered by Google™, find your vehicle Location, lock & unlock your doors and flash the headlights or honk the horn to find your car.

**Share Live Trip Status**  
Using the BMW Connected+ feature "Share Live Trip Status", you can let others have details of your journey, live and in real time. To do this, send a link to a selected contact, who will then be able to access a map view with your current position, destination and estimated time of arrival.

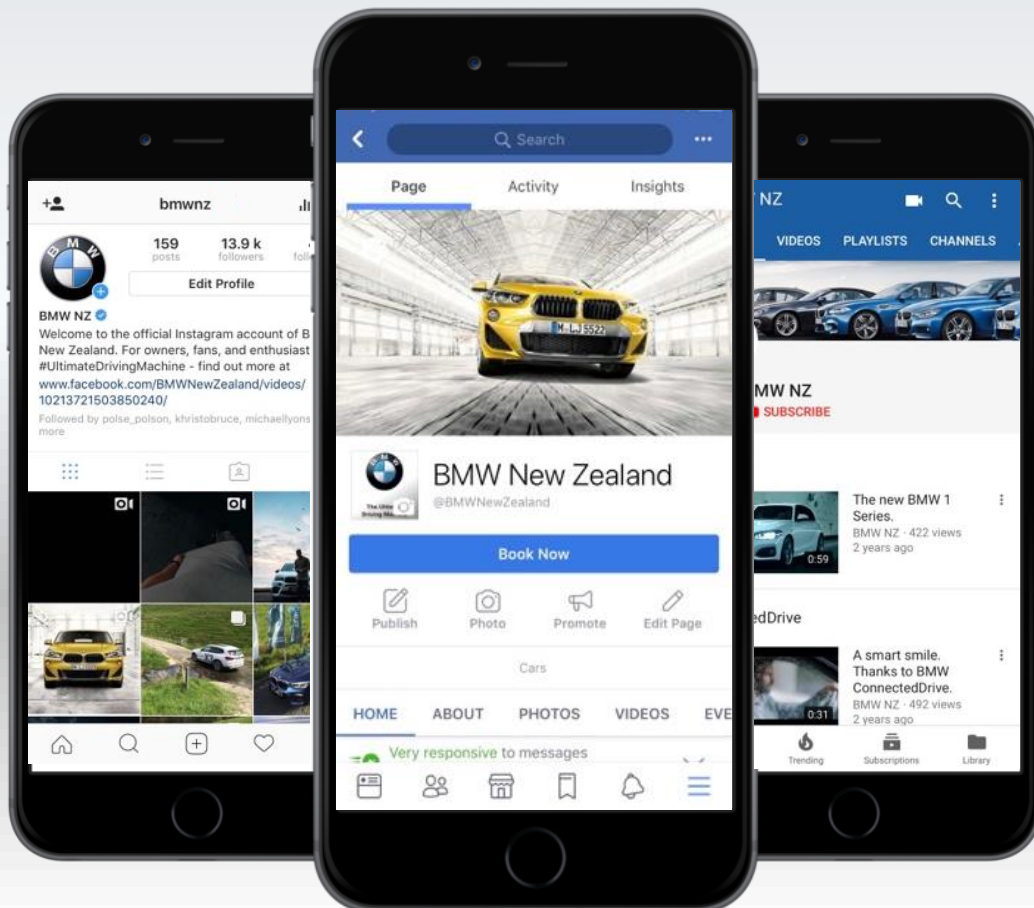

The Ultimate  
Driving Machine

# IMMERSE YOURSELF IN THE WORLD OF BMW.

Keeping up with the Ultimate Driving Machine has never been easier.  
Connect with us online and stay up to date with the latest from BMW.
