

Caravelle 6.1

Model Year 2024 Specifications

Price

Caravelle LWB Comfortline

Maximum Retail Price* - 7 Speed DSG (Model Code)	\$91,000 (SHJTF7)
--	-------------------

*Maximum Retail Price (MRP) includes 15% GST and does not include on-road costsFuel consumption tested in accordance with EC directive EEC 715/2007. Consumption is measured on European specification cars. The official fuel consumption, emissions, and EV range figures determined by the WLTP or NEDC test should be used as a guide only, or for vehicle to vehicle comparison. Actual results may vary due to factors such as driving or environmental conditions. Image shows international specification, local specification may vary. Specifications are as planned at May 2025 for Model Year 2024 and subject to change without notice or obligation.
