

MY20

Model	Code	2.01 TDI 450Nm SWB 4MOTION
Maximum Retail Price – 7-Speed DSG Automatic Transmission 4MOTION		\$139,000 SGCWH9

Technical Data

Cubic capacity (cm³)		1,968
Power (kW) @ rpm		150 @
Towar (KW) @ Ipin		4,000
Torque (Nm) @ rpm		450 @
Torque (Nin) @ Ipin		1,400 - 2,400
Cylinders		Four
Fuel Type – Diesel		•
Fuel tank capacity	2G2	80L
Fuel Injection system – common rail direct injection		Bi-Turbo
Emission Standard		Euro 6

Weights and Dimensions

-	
Gross vehicle mass (kg)	3,080
Unladen weight	2,607
Payload (kg)*	473
Axle load limit front / rear (kg)*	1,610 / 1,575
Trailer load limit (kg). 12% gradient (Braked / Unbraked)	2,500 / 750
Length (mm)	5,006
Width (mm, incl. wing mirrors)	2,297
Height (mm)	1,990
Wheelbase (mm)	3,000
Lateral sliding doors (width / height, mm)	1,011 x 1,247
Tailgate (width / height, mm)	1,438 x 1,262
Living space, area (m²)	4
Turning circle (m)	11.9

Performance and Fuel Consumption

Acceleration 0-100 km/h (sec)	11.1
Top speed (km/h)	195
Fuel consumption combined (L/100km)	7.1

Safety and Security

Electronic Stability Control with brake assistant, ABS (anti-lock braking system), ASR (Anti-spin regulation), EDL (electronic differential lock)	1AK	•
Hill Start Assist	UG1	•

*Maximum Retail Price (MRP) includes 15% GST and does not include on-road costs. Figures will change depending on model derivative and equipment fitted. All measurements listed are based on standard specification vehicles. The actual dimensions may differ slightly from the values stated here. Equipment may affect the unladen weight. A vehicles' actual payload, which is the difference between the gross vehicle weight and the unladen weight, can only be determined by weighing the individual vehicle. Specifications are subject to change without notice. Fuel consumption tested in accordance with EC directive 1999/94/EC and based on NEDC procedure unless stated otherwise. The fuel consumption is measured on European specification cars and may vary depending on specification, road condition, tyres and driving behaviour. Please refer to brochure for further information. Issued 7 April 2020.

*Maximum Retail Price (MRP) includes 15% GST and does not include on-road costs. Figures will change depending on model derivative and equipment fitted. All measurements listed are based on standard specification vehicles. The actual dimensions may differ slightly from the values stated here. Equipment may affect the unladen weight. A vehicles' actual payload, which is the difference between the gross vehicle weight and the unladen weight, can only be determined by weighing the individual vehicle. Specifications are subject to change without notice. Fuel consumption tested in accordance with EC directive 1999/94/EC and based on NEDC procedure unless stated otherwise. The fuel consumption is measured on European specification cars and may vary depending on specification, road condition, tyres and driving behaviour. Please refer to brochure for further information. Issued 7 April 2020.

^{*}Maximum Retail Price (MRP) includes 15% GST and does not include on-road costs. Figures will change depending on model derivative and equipment fitted. All measurements listed are based on standard specification vehicles. The actual dimensions may differ slightly from the values stated here. Equipment may affect the unladen weight. A vehicles' actual payload, which is the difference between the gross vehicle weight and the unladen weight, can only be determined by weighing the individual vehicle. Specifications are subject to change without notice. Fuel consumption tested in accordance with EC directive 1999/94/EC and based on NEDC procedure unless stated otherwise. The fuel consumption is measured on European specification cars and may vary depending on specification, road condition, tyres and driving behaviour. Please refer to brochure for further information. Issued 7 April 2020.
