Hampton Downs | 4.30-7.30 pm

Below is an outline of the exciting day we have planned for you.

Please contact Kim Gibb from Continental Cars should you have any questions.

Kim Gibb | +64 21 358 383 | +64 9 258 5088 | kim.gibb@sdrp.co.nz

Arrival

Please arrive at Hampton Downs by 4.30pm. Briefing will be at 4.45pm and driving begins at 5pm. Twilight sessions will finish by 7.30pm.

What to expect at a Twilight Session

On arrival you will sign in and be split into groups based on your driving ability and track experience. A Twilight Session is based on full track laps. You will be allocated a drive instructor who will be in your vehicle at all times you are driving. Your allocated drive instructor is there to help you enhance your driving ability and to facilitate a good understanding of your own vehicle and its capabilities. Twilight sessions are reserved for the more experienced Porsche drivers, this course is where the sports cars really get to stretch their legs!

Race suits, clothing and shoes

Anytime you are on the track, you are required to wear a motor sport approved race suit. We will provide a range of sizes from Small - XXL of these and they will be available on your arrival. Under your suit you must wear cotton or wool. Your shoes need to be race shoes or of a leather material. If you own a race suit you are welcome to wear this but it must be a single layer or better motor sport approved race suit.

Helmets

All drivers must wear helmets when driving full laps of the track. Downforce will provide these on the day, however if you have your own open face helmet, you are welcome to bring this along. Sizes available from Small - XXL.

Fuel

Please remember to arrive at the track with a full tank of fuel.

Vehicle Inspection

Prior to your track day you need to bring your car into the Porsche Service team for a pre-track inspection.

This is free and very important. The Porsche service team checks over the main safety components of your car.

If your car doesn't have a Porsche Track Safety Inspection unfortunately due to safety reasons we won't allow you to drive your car on the day.

WOF

Every vehicle participating in the day **MUST** have a valid Warrant of Fitness. If a vehicle does not display a valid Warrant of Fitness, it will not be permitted to participate on track.

Safety and Insurance

All drivers must sign waiver of liability prior to driving on the Hampton Downs circuit.

No passengers (except for instructors) are to ride in vehicles throughout the day.

You may choose to contact your insurance company, informing them that you plan to take part in a controlled driver training event. Many insurance companies will support this. Please make it very clear to your insurance company that the event is for driver training and is not competitive at all. Regardless, as the day is run in a controlled environment, we aim to minimise all risks.

Prestigio Insurance offers insurance cover that includes cover on track for many cars and drivers.

Please see www.prestigio.co.nz for more information. Note, if you are insured by Prestigio you **MUST** advise them of your intention to take part in this event. You will not be insured on track by Prestigio unless they have prior information of your participation in a track event.

Directions to Hampton Downs from Auckland

Follow State Highway 1 south, heading down the Bombay Hills towards Hamilton.

Continue towards Hamilton until signs for Hampton Downs direct you to exit the highway (Hampton Downs Rd).

Turn right off the highway, then follow the Downforce signs which will direct you to drive into the centre of the circuit.

Cost

\$695pp

Kind Regards

Kim Gibb, Continental Cars Porsche
